**A NOTE FROM THE
MANAGING PARTNER**

To all of our clients (both former and present), vendors, family, friends, and colleagues:

Due to a deadly world pandemic, severe economic crisis, and terrible social injustice, at one time or another during this current year, we have all experienced enormous sadness, fear, and perhaps anger. And oh, what a year 2020 has been! But it is my hope and prayer that this holiday season brings you peace and comfort. I also hope and pray that you and your family have good health and happiness as you walk into a new year.

On behalf of the attorneys and staff at the BERTOLINO LAW FIRM, may you have a wonderful Christmas and a very prosperous New Year!!!

-Tony R. Bertolino

Hallmark Achievements - December 2020

Texas Education Agency v. J.B.

TEA accused J.B. of contract abandonment and threatened to impose a one year suspension of J.B.'s license. After a hearing at the State Office of Administrative Hearings, the Honorable Administrative Law Judge sided with J.B. and wrote a Proposal for Decision dismissing all claims.

Texas Department of Insurance v. I.F.

I.F. was accused of submitting false health insurance applications and hosting an un-registered event in violation of Medicare/Medicaid Laws. I.F. hired Bertolino to respond to the investigation. After Bertolino responded to the Department's notice of investigation, TDI closed the matter and dismissed all claims against I.F.
