"I am excited to announce that the Bertolino Law Firm, in partnership with Total Health Evolution, has agreed to collaborate in presenting the "2021 Veteran's Day 5K Run to benefit Toys for Tots." Our collaboration is centered on support for our nation's men and women in uniform while raising funds and toys for the Marine Corps' Toys for Tots program. The running event will take place on Saturday, November 13, 2021 at 8:00 AM at Fritz Park in Hutto, Texas. All race participants are encouraged to bring an unwrapped toy to donate to the Toys for Tots toy drive. I will provide more information as the race day approaches. But for now, please mark your calendars for this exciting event."

Texas Department of Insurance v. E.P.

After receiving a complaint that E.P. allegedly falsified an application for life insurance by claiming she is the guardian of the complainant's children, Texas Department of Insurance ("TDI"), filed a Complaint at the State Office of Administrative Hearings, claiming E.P. willfully violated Texas insurance law and engaged in fraudulent acts. TDI sought revocation of E.P.'s license, assessment of an administrative penalty, and issuance of an order that E.P.'s insurance agency cease and desist from engaging in the unauthorized business of insurance. The attorneys at Bertolino, LLP successfully argued that there was no evidence to support any of TDI's allegations. The judge issued a Proposal for Decision in E.P.'s favor, stating there should be no penalties against E.P.'s license, no administrative penalties, and no cease and desist order against her agency.
